CSCI 342 Pop Quiz #4

Write the javascript (no jQuery) below to make the second div look and act just like the first.

```html
<!DOCTYPE html>
<html>
  <body>
    <div id="div1">
      <a href="fubar.html">
        <img src="image.png" alt="Fubar">
      </a>
    </div>

    <div id="div2">
    </div>

    <script>

    </script>
  </body>
</html>
```
